# **BRAMBACH GRAND PIANO**

This 5-foot Baby Grand by Brambach is one of the fin-est planes we have ever had in our store. It has been completely refinished and reconditioned throughout. reconditioned throughout has a beautiful mahegany finish . . . and comes complete with beach,

This Brambach originally sold for \$1,400, and our price tag has been \$650, but for Tuesday only it has been reduced to the sensationally low price of \$395.

Come in and see this plane and play it . . , we know you'll fall in love with it.

resulting from this storage situa-tion, perces of wheat in August were 18 to 20 cents per hushel

were 18 to 20 cents per bushel below the government loan rate. The storage situation probably will be worse this year than last. Total supplies of wheat may be shightly larger, and the amount of free grains in storage in July and August probably will be 500 mil-

Hop hushels lugger.

With such a storage situation, wheat prices just after hervest in 1949 could be further below the loan rate and remain below it longer than in 1948. With this signifien, the increase

With another big wheat crip with this situation, the increase expected to be harvested soon, granters of Petth county used to on the farm for several months master provisions for storage for their cusp to avoid the storage for their cusp to avoid the cell grain had been marketed, engages of welling on the crawdout in two or three years, pay buck in "distressed" market follow-big harvest, insignsts County the required form storage facilities.

The county agent's advice is constants of Misseart University supported by a statement from College of Agraculture. The wheat the Misseart PMA office, remindired of 1949 is thinks to be 1.3 billion bushels about twice the on March 15. Also that the loan armush demestic netsumption, the total small for the voice its as of July 1 march.

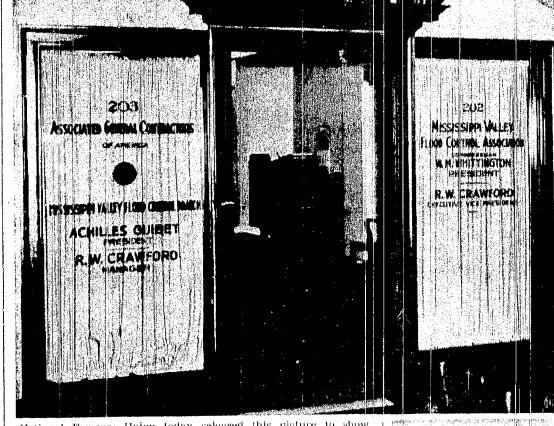

Recent wide-spread confusion and conflicting statements regarding the use of DDT and related new insecticides and the misgivings of the putilic call for presontation of the following reconsentation of the following recom-mentation jointly made by the Missouri College of Aspiculture consisting of member from the Animal Hasbondry Department, Entonology, Field Crops, Horti-culture and Veterinary Science. (1) No other insecticide or group of insecticides is so effec-tive against so many important insect pest of man, livestock and erops as DDT and related in-

erops as DDT and related in-sectleides. Their continued use with proper safeguards, therefore, is essential to Missouri agricul-

ture. (2) To control files and lice or (2) To control files and lice on milking animals, it is suggested that darrymen and farmers turn for DDT to Methoxychlor as it becomes available tise 4 lb. of 50% wettable powder to 100 gallons of water. Do not repeat the treatment more often than once every 20 to 30 days.

(3) For use in dairy facous milks

tion. Due to the forced marketing Farmers Union Points With Suspicion

National Farmers Union today released this picture to show how members of Congress, the U.S. Army Engineers, the Assoclated Guneral Contractors of America and the Mississippi Valley Flood Control Association are affed. The Farmers Union claims these organizations are leading the fight against creation of Missouri and Columbia River Valley authorities. The picture shows the doorway to a single suite of offices in the Peabody hole), Memphis, Tenn. R. W. Crawford is listed, on the lefthand panel, as manager for the Mississippi Valley Flood Control branch of the Associated General Contractors. On the righthand door he is listed as executive vice-president of the Missishand door he is listed as executive vice-president of the Mississippi Valley Flood Control Association. He occupies both offices. Crawford is a retired colonel of the U. S. Army Corps of Engineers. Congressman Will M. Whittington, of Mississippi, listed on the righthand panel as president of the Mississippi Valley Flood Control Association, is now chairman of the House Committee on Public Works, which has before it legislation on valley development. Representative Whittington is also vice-president of the National Rivers and Harbors Congress, a leader in the anti-valley authority "water lobby." President of the National Rivers and Harbors Congress is Sen. John L. McClellan, of Arkansas, a member of the upper house Public Works Committee considering valley authority legislation. Other vice-presidents of the Rivers and Harbors Congress are Sen. Kenneth Whorry, of Nebraska, and Congressman Francis Case, of South Dakota.

every 20 to 30 days.

(3) For use in dairy farins, milk houses and processing plants as a redditual spray for files the same concentration of methoxychlor as applied on dah, cattle may be used but frequent applications are required. By increasing the summer, in applying it make sure the insecticide does not get on the feed or in the feeding and water-ing troughs or on equipment and ng troughs or on equipment and

utousus.

If methoxycholor is not im-mediately available and the dairy-man is obliged to continue to use man is obliged to continue to use DDT as in former years use it at the same concentrations at like intervals as recommended for Methoxychlor. In this case, however, be doubly careful to protect feed, feeding and watering troughs and utousits and equipment from DDT expense in case of DTT also DDT sprays. In case of DDT also keep cattle out of the barn for several hours after each barn treatment. Do not let down on barn and feed lot sunitation. Also use DDT freely around manure plles and elsowhere out of reach of animals.

EGGS FALL FLAT-This white leghorn hen owned by Mrs. Charles Volek, of Valley View, a Cleveland, O., saburb, lays that eggs. But every now and then, the bud lays a normal counded egg. Mrs. Valek doesn't know what to make of it. The healthy seems to think nothing is odd at all. She cackles just like other hens and for just as long. Mrs. Valek says she is going to put a flat egg under a setting here to see if it hatches a flat chicken, A neighbor suggested it might produce a chicken pattle.

# Final Date on

James A. Rarvey, chairman of the Pettis County Agricultural Conservation Association, announces that June 10, is the final date on which requests for new 1950 wheat acreage allotments may be accepted by the county committee. Such a request should be made by the owner or operator of a farm on which not wheat has been grown for the past three has been grown for the past three years, 1949, 1948 or 1947, but who expects to need wheat this full for 950 harvest.

Each county may use only 3 per cent of the total county wheat allotment for new wheat firms under provisions of the act. This might necessarily mean that new might nedessaring mean that have wheat allotments established on small farms world probably be less than the permitted acreage of 15 acres on each farm. If this is the case the farm would be permitted to grow 15 acres of wheat for 1950 regardless of the smaller allotment. allotment.

Harvey stated that it now ap-pears obvious that allotments will be determined for the 1950 wheat acreage, and if such is the cast, these allotments will be in the hands of wheat growers during the month of July, 1949.

Wednesday morning. The degrees were conferred by President Diemer. Mr. and Mrs. Heisner's son, Walluce, received his Master's de-

Carrol Dean Wright, son of Mr. and Mrs. Roy Wright, has accepted a position as music director at

the high school in King City.

Mrs. J. D. Smith, of Wilmington, Del., is visiting friends here.

Mrs. Smith recently sold her home
on Locust street to Mr. and Mrs. Corder Bray.

Miss Marilyn Dillon, outstand-

ing momber of the graduating class of 1949, was the winner of the Plessner award at the 48th an-nual commencement. Wednesday evening. Marilyn was president of her class during her freshman year, a member of the high school band for two years, a representa-tive of her class at Cirls' State in 1948, was attended to the in 1948, was attendant to the Eagle queen and is editor in chief of the high school annual, "The Eagle," In scholastic rating, she had the third highest grades in her class, with an average of 94.77. She is the daughter of Mr. and Mrs. W. O. Dillon, formerly of Sweet Springs. A check amounting to \$50.00 was present-

of to her by the superintendent of schools, J. Alan Markland.
Lt. (J. g.)) and Mrs. Millon B. Williams arrived here Tuesday to visit Mrs. Williams' father, David Dickerson and grandparents, Mr. and Mrs. Joe Steinmetz, Caut. Paylor Hale flew here from San Angelo, Tex., for a visit with her mrents, Dr. and Mrs. J. H. Hale Ladrue Milman, of Concordia, Loland Groschen and Vernon Zregelbein, of Sweet Springs, left on a trip to Colorado May 15 and returned May 21. They visit-ed Denver and Colorado Springs and saw Buffalo Bill's grave on Lockart, monotain, and delay and saw Buffalo Buffs grave on Lookout mountain and drive within 19 miles of the top of Pike's Peak, which was at that time inaccessible because of snow.
